Dear Applicant

Thank you for your enquiry regarding Foreign Birth Registration (FBR).

Attached please find an FBR application form, together with some guidelines and a check list of certificates and documents necessary to support your application (see overleaf).

All certificates, i.e. birth, marriage and death, must be issued by the appropriate registering authority, must be long form / full version and must be original. We do not accept photocopies or copies certified by your witness.

Supporting documents must also be original, however, a certified copy of your driving licence will be accepted. If you require your documents to be returned prior to the completion of your application, please enclose a registered mail or courier envelope so that we can return them immediately.

The application takes approximately four (4) months to complete, but in some cases it may take longer.

A passport application form will be sent to you with your certificate of citizenship upon completion of the process.

Yours sincerely
CONSULATE GENERAL OF IRELAND

Please note that while Ireland allows dual citizenship, this is not the case for all countries. If you are the citizen of another country you may wish to contact the relevant authorities to check their position on this issue.
